Kristina Chang (USA - 100M - first place female):

"These probably were some of the most intense hours of my life. In the best way. I am really happy my friend got me out here to this race. And I am 100% going to the UTMB next year!"

Nick Hirdt (USA - 100K - first place male):

"It was very fast at the start with the section of forest roads. I think I was third or fourth most of the beginning. Then when we were on the PCT (Pacific Crest Trail) I was in third at the turnaround. And after that I started catching people, I started feeling good, took the lead on the last big climb and I was able to pull away."
