Kelsey HOGAN (CAN - 100M - second place female):

"Today I was really tuning into just what I needed for myself on this run and noticing what running gives me and what this community gives me. I felt connected to these new places and enjoyed the nature and how beautiful it is to be out there. I think we're all very lucky to get to do that."

Fuk Cheung TSANG (HKG - 100K - first place male):

"In Hong Kong we have a bunch of very strong, diligent runners tightly held together by a very well-spirited community. I wanted to show the world that Hong Kong, on top of being a financial centre, also has some amazing nature and is the easiest to explore."

Jules PIJOULET (Race Director, TransLantau by UTMB):

"There are 4 ladies in the top 10 overall ranking of TL100. This is amazing! Probably first time in the world."
