Stephanie Auston (AUS - 100M - second place female):

"I'm really happy it's over. That was a much harder day than I thought it was going to be looking at the profile. I just had a really good day out there. I mean, the last 20km was really rough, but everything up until there felt amazing. I was just really enjoying the day and had a lot of fun."

Sam Harvey (NZL - 100M - first place male):

"It was some really good racing. Me and Mike worked really well together rather than beating each other up and trying to have a fight out there. We just fed off each other and looked after each other, and as a result, we went super, dupe fast."
