Ekaterina MITYAEVA (AIN - 100K - first place female):

"I ran 100M at UTMB earlier this year, but 100K is definitely my distance and I am happy to win here. I live and train in high mountains and it helped me stay well prepared even though it's my first time running in Thailand. I really enjoyed this race and was really amazed by the views that Thailand has to offer."

Hau HA THI (VIE - 50K - first place female):

"I feel very happy. There have been many very strong athletes in my distance and I am extremely happy to be able to win. I love Thailand - it's my third time participating in this event and every year I learn something new, it's a great place to try my strength against the strongest runners in the world."
