RUNNER TRACKING & RESULTS

WHERE'S MY RUNNER?

LOOKING FOR YOUR RUNNER? SEE BELOW FOR HELPFUL TIPS!

- Not all Aid Stations will have tracking, so don't panic if you don't see a time for your runner.
- Limited cellular and satellite connectivity may cause delays in runner tracking updates, and some aid stations may report times more frequently than others

Q: My runner should have checked in by now. Where are they?

A: No need to worry! There are plenty of reasons they may not show as checked in:

- Tracking is not available at that location.
 - Connectivity is limited, and tracking updates may be delayed.
 - The course includes a variety of terrain, with some sections being more challenging than others, so it's completely normal for runners to move a bit behind their expected pace at times.
- * Anticipate up to a 2-hour delay in your runner tracking for any of these reasons

Q: Who should I contact if I'm having trouble tracking my runner?

A: Our experienced Runner Tracking Team works diligently to ensure all runners are on course, safe, and accounted for. They use the same LiveTrail software as the app, so you'll see the same location updates when your runner checks in.

Your runner's safety is our top priority! Our Runner Tracking Team has proven procedures in place to quickly identify and locate any runner who may go off course, ensuring they are safely accounted for throughout the event.

RUNNER TRACKING

[LIVETRAIL.NET](https://www.livetrail.net) will be available to track runners throughout the event. Please note these are timing splits at certain checkpoints on the course and are NOT live/GPS tracking. Due to the remote nature of these locations there may be possible delays on LiveTrail updating.

TIMING

The race will be timed by LiveTrail using chips located on the bibs. The chips are automatically recorded at the Start Line, various Aid Stations, timing locations and the Finish Line. Please refer to the "How to Wear Your Bib" section in the Runner's Guide for the proper way to wear your bib so the chip is not damaged and is properly recorded.

PLEASE NOTE: All runners in the race must wear their race bib with the tag intact in order to have their times recorded. No bib = no time! Please make sure the race bib is pinned on your front and is visible throughout the race.

TRACK YOUR RUNNER:

To follow your runner's progress on race day, download the LiveTrail Tracker app to your smartphone.

PARKING

RACE DAY INFORMATION

DROP POLICY

Runners are encouraged to withdraw from the race only at Aid Stations. This will help Race Management ensure all runners are safely accounted for. All runners **MUST** notify the Aid Station Captain that they are withdrawing, and turn their bib in. If a runner is unable to withdraw at an Aid Station, they **MUST** notify Race Management at the Timing Tent located at the Finish Line, or by calling the Emergency Number on their bib: **813-422-2094**.

In the event that you do not finish (DNF) the race, race management is required to collect your bib at the Aid Station. This is essential for runner accountability and ensures that our command team can confidently confirm the course is clear at the end of the day. We understand that bibs hold sentimental value for many runners. If you'd like your bib returned, we can hand it back after the course is cleared. Please note that this may take several hours after the final course cut-off, as bibs are retrieved from remote aid stations. Please attend the award ceremonies to check if bibs have been returned by that time. If so, we can distribute them during that window only. Thank you for your understanding as we prioritize runner safety.

WEATHER

Please check the weather before race day. Weather can range from hot temperatures to snowy mountain tops this time of year. [CLICK HERE](#) to check the weather in the area prior to race day. Please be sure to also check the weather conditions getting to and from the race if you plan on driving. Refunds are not given in the case that weather impacts your arrival time.

ROAD SAFETY

Runners will at times during this event be running on dirt roads that could possibly be shared by OHV/UTV/4X4 vehicle's. Please always be aware of your surroundings and use caution during these sections of the course. Headphones are discouraged during these sections of the course. Always look before crossing these roads.

MEDICAL INFORMATION FOR RUNNERS

Emergency medical care will be provided at every aid station and the finish line. Participation in this event is at the runner's own risk. Adequate training is essential. Runners are encouraged to consult with their medical provider prior to the event. Please be sure to notify race staff of any medical condition or allergies. You can place all this information on the back of your race bib as well as on the white medical bracelets you can pick up at the registration tent. Runners' crews must be prepared, anticipate runners' needs, and provide basic care. This includes hydration and nutrition specific to the runner based on experience and tolerance, aside from race provided supplies. Runners may experience nausea and vomiting during the race. This can be for a variety of reasons, most commonly over-hydration, under-hydration, heat stress and altitude exposure. It is advised the runner always "drinks to thirst", avoiding over or under hydration. Be sure to seek medical attention if symptoms continue or worsen.

SWEEP TEAM

There will be a Sweep Team covering every section of trail for all distances. They are equipped with GPS tracking devices, radios, and are tracked by and in constant communication with race command to help ensure the safety of runners. It is also good practice if you leave the trail to leave a belonging on the trail to help notify the Sweep Team.

RACE DAY INFORMATION

COURSE CUT-OFF

Refer to the aid station chart for specific distance information on course cutoffs.

Cut-off times are calculated with the following considerations:

- Safety of all participants including, but not limited to runners, volunteers, medical staff, and search & rescue.
- Remoteness of certain sections of trail.
- Access to certain sections of trail.
- Conditions of certain sections of trail.

The race organization reserves the right to add or change any listed cut-off times prior to and during the race. The race organization reserves the right to remove a runner from the course and remove their bib, if it determines there is no possibility of an athlete finishing before the listed cutoff times based on their location, time, and average pace.

A runner MUST leave an Aid Station prior to the cut-off time, or they will be considered a Drop, and their bib will be removed. A runner cannot leave an Aid Station behind the Course Sweeps. NO EXCEPTIONS! A runner also cannot leave the Aid Station prior to the cut-off time, then return to the Aid Station, or receive assistance from their crew. Any runner leaving the Aid Station prior to the cut-off, must continue on the marked course. Any runner arriving to an Aid Station after the cut-off time will be considered a Drop and their bib will be removed. NO EXCEPTIONS!

For permitting reasons, and the continuation of the event, the safety of all runners, volunteers, safety personnel, and race staff, the cut-off times and rules must be honored and respected for all UTMB events.

AID STATIONS

Aid stations will be located throughout the course. The general offerings are as follows:

- Nutrition: Naak Drink Mix and Naak Gels; assorted fruits; soda; assorted sweets & salty snacks; peanut butter & jelly sandwiches; and other assorted food
 - Not all aid stations will offer full Naak nutrition offerings.
- Runner Care: Basic first aid/blister care; bug spray; sunscreen; lubrication for chaffing; feminine products
- Refer to the aid station chart for detailed information on aid station offerings by distance.
 - HS - Hydration Station
 - AS - Aid Station

ULTRA ENERGY™ DRINK MIX
Go longer, go farther.

SUSTAINABILITY

RECYCLING SYSTEM

The race venue will have clearly labeled trash, recycling, and compost bins. We ask all spectators and athletes to follow the signage to the best of their ability. Aid stations will also have trash and recycling bins for athletes to properly sort waste. Aid station volunteers can help answer questions and support proper disposal.

ATHLETE EXPECTATIONS

UTMB expects all athletes to:

- Not litter on the trail
- Dispose of all waste at aid stations
- Use reusable bottles/cups when possible
- Follow the race venue's recycling, compost, and trash system
- Carpool or use public transportation throughout race week when possible
- Leave no gear, clothing, or personal items at the race venue

DROP BAGS & SPARE BAGS

DROP BAGS (AID STATION BAGS):

This event does not allow drop bags at any aid stations for any distance. Please plan to carry all nutrition and gear you'll need for race day, or coordinate with your crew at designated crew-access aid stations, if crew support is allowed for your distance.

SPARE BAGS (START & FINISH LINE BAGS):

A designated area will be available at Basecamp for spare bags with post-race essentials for all distances. Please place all items in a bag clearly labeled with your name and bib number. All items must be contained inside a bag, and note that these bags will remain at Basecamp, they will not be transported to any on-course locations.

BAG PICK-UP:

Any bags not retrieved by 7:00 PM on Saturday July 25, 2026 will be donated to a local organization. Please do not place any valuables in your bag, as we are not responsible for lost or unclaimed items.

WEATHER PROTOCOL: GEAR

Hot or Cold Weather Kits may be implemented by Race Management if inclement weather determines it. Please refer to the [RACE REGULATIONS](#) for a full list of the Mandatory Gear, Hot and Cold Weather Kits. It is the runner's responsibility to bring all gear and kits that is or may be required to the race. Race Management may not be able to make the decision to implement the Hot or Cold Weather Kits until a few days out from the event as weather patterns are highly unpredictable and can change on a moment's notice, especially in the mountains.

Mandatory gear must be carried for the duration of the race. Recommended gear is strongly advised based on conditions.

COURSE MARKINGS

COURSE MARKING STANDARDS ALONG THE TRAIL

All course ribbons will be placed within eyesight of the next one. Look for course ribbons to be placed on the following:

- Trees
- Bushes
- Tied to rocks on the trail
- Forest service trail signage
- Course signage

URNS & INTERSECTIONS

Leading up to a turn, additional markings will be applied to the side of the trail in the direction of the approaching turn. Immediately after the turn is made, additional course markings will be applied to both sides of the trail to serve as "confidence" markers to ensure you made the correct turn and are on course. Directional arrow signage will be placed leading up to and at turns, in the direction of the upcoming turn. Prior to key intersections, a "Critical Turn Ahead" course sign will be added to alert runners leading up to a turn.

WRONG WAY

"Wrong Way" signage will be placed at intersections on trails that are not on the course. Additional "Wrong Way" signage will be placed further down a trail that is not on the course in case the first sign is missed. If you do not see a course marking ribbon or flag within your field of vision, you are most likely off course. Re-trace your steps until you find the correct course marking for your race.

COURSE MARSHALS

Runners must follow and obey all Course Marshals at the locations they are stationed.

COURSE RIBBONS

 50K, 30K, & 10K Blue Ribbons & Blue Pin Flags	 The Summit White Ribbons
 WRONG WAY All courses will have pink ribbons marking sections of trail that are NOT on course	

COURSE SIGNAGE

	Critical Turn Ahead: This indicates a turn or intersection is coming up. Pay close attention to course markings.
	Wrong Way: This indicates a section that is not on the race course. Do not pass these signs. Look for the appropriate course markings or signage to stay on course.

UTMB INDEX

YOUR TRAIL RUNNING PASSPORT

The **UTMB Index** measures a runner's performance across four race categories: **20K, 50K, 100K, and 100M**, as well as an overall score.

IT'S ESSENTIAL FOR:

- ✓ **Entering the UTMB World Series Finals lottery**
(with at least 1 Running Stone).
- ✓ **Defining your start wave** to ensure the best race experience.
- ✓ **Exclusive Race Access:**
You benefit from a 48-hour priority registration to UTMB World Series Events. And for some **100K and 100M events** require a valid UTMB Index for safety or lottery pre-registration.

HOW IT WORKS:

- ✓ Your UTMB Index is based on your **top 5 race results** (weighted for recency and performance) over the last **36 months**. At least **1 valid race result** in the past **24 months** is required for a valid UTMB Index.
- ✓ With over **6,000 races worldwide** they are plenty of opportunities to boost your UTMB Index.

GENERAL RULES

1. Snowbird is a pristine mountain environment. Littering is NOT allowed outside 100' of aid stations. If you choose to throw a wrapper down outside these parameters, we may disqualify you.
2. NO STEPPING on vegetation off the trail. Once again, it's pristine, let's keep it that way.
3. Restrooms are provided on Hidden Peak. Use them please.
4. There are NO DOGS allowed in Little Cottonwood Canyon... anywhere! You MAY NOT leave your dog in a car either. There is a \$750 fine if you do so, and it will jeopardize the future of the Speedgoat Mountain Races by UTMB®. Leave your dog at home.
5. No aid between aid stations.
6. No special Drop Bag service from crew.
7. Headphones ARE permitted, so crank it up, but please be aware of surroundings when overtaking another runner, if you are overtaken, or at an aid station.
8. Any runner seen cutting a switchback will be disqualified.
9. Any foreign runner who earns cash, will be subject to tax initially when paid on race day.
10. You are only allowed to drop from the race in designated areas and you MUST let a race official know if you choose to drop. The designated areas include all aid stations along the course, with the exclusion of the Water Pipe Aid Station on the 50K course. For the safety of runners, staff and volunteers, runners will NOT be permitted to drop from the race at this aid station due to the remote nature of the location.
11. Do NOT enter the creek after the race - this is for your safety and to protect the natural environment.
12. No overnight parking/camping on Snowbird property in any of the resort's parking lots. You will be asked to leave and possibly disqualified
