Drop Off Location

Spectator access is NOT permitted at the UTA22 race-start. We request that **ALL** UTA22 athletes catch the free event shuttle bus to the start line.

If it isn't possible to catch the bus, the nearest private vehicle drop off location is the corner of Hordern Rd and Coronation Rd (2.7km from the start line). Walk to the end of Coronation Rd and follow the trail to get to the start line. **DO NOT** walk on Tableland road, as it is narrow, has no footpath and will have continuous bus traffic.

DO NOT attempt to be dropped to the same point as the buses, as this impacts the buses ability to turn around, and keep to their schedule.

DO NOT park vehicles anywhere along Tableland Road. There are **NO** return services to this area. Spectators should plan on waiting for their runner at the finish line at Scenic World.

Race-Start Times

There will be race-starts every 20mins from 6:40am – 9:40am.
