Non-discrimination Statement
The University of Virginia does not discriminate based on the basis of age, color, disability, gender identity or expression, marital status, military status, national or ethnic origin, political affiliation, pregnancy, race, religion, sex, sexual orientation, veteran status, and family medical or genetic information. Please see our non-discrimination statement for more information.

Commitment to Privacy
The University of Virginia is strongly committed to maintaining the privacy and security of confidential personal information and other highly sensitive data that it collects. Our privacy and public records obligations are governed by applicable Virginia statutes, including, but not limited to, the Virginia Privacy Protection Act of 1976, the Virginia Freedom of Information Act, and by any applicable U.S. federal laws. Conditions of Offer
The Batten School abides by the UVA Honor Code and Standards of Conduct.

The University of Virginia strives to provide a safe living, learning, and working environment for all members of our community. Although we do not ask candidates for admission into Batten to disclose criminal convictions or pending charges when they apply, we do require that admitted students provide this information before they enroll. Failure to disclose criminal convictions or pending charges is grounds for revocation of an offer of admission. When an admitted student discloses a conviction or pending charge, Batten does not automatically withdraw admission. Rather, a committee that represents varied interests evaluates the circumstances thoroughly and holistically and determines whether the student’s enrollment would be consistent with the safety of the University community.

Questions? Contact the Batten School Office of Admissions at BattenAdmissions@virginia.edu. If you need technical assistance, contact Batten School IT Support at BattenITSupport@virginia.edu.
APPLICATION TABS
Once you navigate to this tab, you will see instructions for this section. You should provide information for each college/university you have attended.

**Note:** If you are currently undeclared, please be sure to list your major as undeclared and give us your cumulative GPA only.

Please provide additional information for each institution for which you have submitted transcripts. To enter your school name, you must start TYPING the name of the institution and it will appear once you begin.

(Note: If you have not yet completed your studies, please list anticipated degree earned and degree conferral year. Additionally, if you have not declared a major, please list undeclared and use your cumulative GPA as your major GPA.)

Once completed, please return to the Application Details tab and hit refresh for the section to mark as complete.
Once you click “New” to start adding information for each institution, you should see the following screen. Most colleges and universities are in our system, so start typing the name of the institution for it to appear. If your school is not listed, skip that question and type the name of the school in the field below. Fill in the rest of the information and hit save. You can exit out of the screen by using the “X.” If you have additional schools to report, repeat the process.

Once your information is filled in, you can return to the main page and refresh the section to see your educational institution(s) listed. You will also attach your transcript for each school on the main application page under Application Attachments.
Once you navigate to this tab, you will see instructions for this section. You should provide information for each activity you wish to highlight from your resume.

Note: Use this space to highlight top activities, but do not include everything from your resume. If you choose to include information about activities from high school, please limit them to two submissions.

APPLICATION DETAILS   ACADEMIC HISTORY   COMMUNITY ENGAGEMENT   RECOMMENDERS   INTERNATIONAL APPLICANTS

Use this space to showcase the activities from your resume you most wish to highlight. Please provide the title, organization, and dates of service for all relevant job, volunteer, and extracurricular activities. If you do not remember exact dates, please provide an estimate, and if it is a current role, leave the end date blank. (Examples: Resident Advisor, UVA Housing and Residence Life, August 15, 2020 - present; Intern, Center for Economic Analysis, June 1, 2019 - August 31, 2019; Food Server, Aramark, August 24, 2019 - May 1, 2020).

Please limit any high school activities to 2 submissions.
Once completed, please return to the Application Details tab and hit refresh for the section to mark as complete.

Community Activities (0)
Once you click “New” to start adding information for each activity, you should see the following screen. Be sure to include the name of each organization, your position or title, the hours per week you were involved with that organization, and the start and end dates for those activities. If you are still engaged with that activity, you can leave the end date blank. You are welcome to include information about jobs, internships, volunteering, research, clubs and organizations, sports, and other engagement opportunities. There is no expectation for you to have any policy experience before the program, but if you have you can highlight those opportunities here.

Once your information is filled in, you can return to the main page and refresh the section to see your activities listed. You will also attach your resume on the main application page under Application Attachments.
Once you navigate to this tab, you will see instructions for this section. You should provide information for each recommender you wish to use.

Note: Once you fill in recommender information, they will be prompted to begin a recommendation for you. We suggest you do this early to give recommenders time to complete the form.

Please provide two (2) Recommenders for your application. Please click new and fill in all boxes below. All recommendations must be received electronically. Therefore it is essential that you provide a valid email address for each recommender.
When you fill in your recommender's email and select "save," they will be sent a link to submit their recommendation describing your academic abilities, professional goals, and interest in public policy and leadership. Current UVA applicants should consider asking for one academic reference at the collegiate level, and the other from an employer, mentor, research supervisor, coach, or other person who knows your work outside of the classroom.

Minor applicants should NOT complete this section.
Once you click “New” to start adding information for each recommender, you should see the following screen. Be sure to include the name, title, and employer of each recommender, as well as a valid email address. If you wish, you can also include a brief message to your recommender in the email they will receive from our system.

Consider waiving the right to review your recommendation with the FERPA Waiver question. The general assumption is that recs are confidential, and both your recommender and the Admissions Committee will give the most weight to one that provides the most honest and qualified assessment possible.

Once your information is filled in, you can return to the main page and refresh the section to see your recommenders listed.
Recommenders will receive the following form. They will also have the opportunity to attach additional comments or a traditional letter of recommendation to the form if they wish.
# INTERNATIONAL STUDENT TAB

Current UVA students do NOT need to fill out this section, even if they are international students or if their primary language is not English. This tab is for postgraduate MPP applicants only.
