Additional Evaluation:

At the Batten School, we are committed to developing leaders and generating new knowledge to solve the world's toughest policy challenges. We know the complex issues of our time demand innovative, collaborative, cross-sector relationships within our walls and beyond. Our multidisciplinary approach to problem-solving and rigorous training in policy research and data analysis reinforces our focus on ethical and resilient leadership, contextual decision-making, real-world experience, and tangible action.

If there is anything else which could help us differentiate this applicant from others, please include it here. We welcome a short statement that addresses the applicant's potential success within and contributions to the Batten community. Alternatively, if you have prepared a letter of recommendation, you may upload it here.
