

California Privacy Rights Request Form

If you are a California resident, you have the right to limit how we use your sensitive personal information, as well as the right to know, access, delete, and correct the personal information that UWM has collected about you. Please note that we may limit the number of requests you can make each year. Only one request can be submitted at a time, and you will need to complete a separate form for each new request. Because United Wholesale Mortgage, LLC, is a licensed mortgage lender subject to state and federal laws, we may be unable to fulfill specific requests that would violate those laws. To submit a request, please provide the following information associated with your UWM account. This will help us verify your identity and process your request. The information you provide in this form will only be used for this purpose.
