

# ARIBELLA Collagen+

*Research-Based, All-Natural Formula*

COLLAGEN DAILY SUPPLEMENT

ARIBELLA Collagen+ is a great-tasting collagen supplement formulated to improve strength, promote lean muscle, reduce pain, burn fat, increase stamina, support recovery, and more. It is made with grass-fed collagen peptides, hyaluronic acid, and 14 other clinically supported ingredients – providing a pure and natural source for important nutrients that are often missing from modern diets.

It is a uniquely formulated, powerfully synergistic blend of grass-fed bovine collagen peptides, hyaluronic acid, highly beneficial amino acids, phytonutrients, co-factors, essential fatty-acids, antioxidants, and many herbal extracts that our bodies need to help rebuild and repair, improving health and quality of life.

What's more, ARIBELLA Collagen+ was formulated for maximum adsorption. In contrast, many other collagen products do not contain the necessary precursors, nutrients, micro-nutrients, and co-factors to assist in the absorption and utilization of collagen peptides.

## Enrich Your Body With Collagen!

### BENEFITS MAY INCLUDE:

## Collagen Daily Supplement

## ADDITIONAL DETAILS

**Potential Benefits of Taking ARIBELLA Collagen+ Daily:** Taking the ARIBELLA Collagen+ daily offers a convenient and effective way to support overall health and wellness, especially for those who don't consume enough collagen-rich foods. It's an excellent way to support healthy hair, skin, and nails while promoting overall wellness and vitality.

**Promotes Healthy-Looking Skin:** Collagen is one of the essential proteins for healthy skin, keeping it firm, smooth, and elastic. However, collagen production decreases with age, leading to wrinkles and sagging skin. Taking ARIBELLA Collagen+ daily can help replenish lost collagen and promote healthy, youthful-looking skin.

**Supports Joint Health:** Collagen not only promotes healthy skin, but it also keeps joints and bones healthy. Taking ARIBELLA Collagen+ could help alleviate joint pain and improve mobility in seniors.

**Improves Nail and Hair Growth:** The protein-rich collagen helps to strengthen fingernails and hair, making them grow faster and stronger. Regular intake of ARIBELLA Collagen+ can help maintain strong nails and healthy hair growth.

**Enhances Overall Well-Being:** The ingredient composition of ARIBELLA Collagen+ provides additional health benefits other than just for the hair and skin. For example, green tea extract provides an antioxidant boost while garcinia cambogia supports weight management efforts.

**Clinically Supported, Natural Ingredients:** ARIBELLA Collagen+ contains several key ingredients designed to promote healthy skin, hair, and nail growth, as well as overall wellness.

- **Grass-Fed Bovine Collagen Peptides:** This is the primary ingredient and is derived from grass-fed and pasture-raised cows. Collagen helps to promote overall wellness and supports healthy hair, skin, and nail growth.
- **Aloe Vera:** Helps to support healthy skin, promotes overall health and wellness, and may help reduce inflammation.
- **Hyaluronic Acid:** An essential component of healthy skin and connective tissues, hyaluronic acid promotes hydration, skin elasticity, and joint mobility.
- **MSM:** A naturally occurring compound found in many protein-rich foods, MSM supports healthy joint and skin health and may help reduce inflammation.
- **Garcinia Cambogia Extract:** Derived from a fruit native to Southeast Asia, garcinia cambogia extract helps to support weight management and promote healthy metabolism.
- **L-Carnitine:** An amino acid that helps to promote healthy weight loss, muscle recovery, and energy production.
- **Green Tea Extract:** A powerful antioxidant that may support healthy immune function and promote healthy weight management.
- **Acetyl L-Carnitine:** Helps to promote the healthy function of the brain and nervous system, supports weight loss, and promotes healthy skin and hair growth.
- **Uva Ursi Extract:** Contains natural compounds that may promote healthy kidneys and urinary tract function.
- **Acerola Extract:** Rich in vitamin C and other antioxidants, acerola extract may help support immune function and promote healthy skin.
- **Chromium (Polynicotinate):** An essential mineral that helps to support healthy blood sugar levels and healthy metabolism.
