ABOUT OUR COMPANY

نبذة عن الشركة

تأسست شركة كابلات الجودة في مدينة الرياض عام 2007 استجابةً للنمو المتسارع في قطاعي البناء والبنية التحتية داخل المملكة العربية السعودية ودول الخليج العربي. ومنذ انطلاقتها، وضعت الشركة أسساً صناعية متينة ترتكز على الجودة، والالتزام بالمواصفات القياسية، وتلبية احتياجات السوق بكفاءة عالية. تتخصص الشركة في تصنيع الأسلاك والكابلات الكهربائية بمختلف المقاسات والتصنيفات، وفق أعلى المعايير الفنية المعتمدة محلياً ودولياً. وقد استطاعت كيبلات الجودة أن تبني سمعة قوية في السوق من خلال تقديم منتجات تتميز بالاعتمادية، والمتانة، وثبات الأداء في مختلف التطبيقات السكنية والتجارية والصناعية. إن اسم "جودة" لم يكن مجرد اختيار، بل يعكس فلسفة تشغيلية متكاملة تقوم على التحكم الصارم في العمليات الإنتاجية، وتطبيق أنظمة إدارة الجودة، وضمان الفحص المستمر للمواد الخام والمنتج النهائي. ، تأكيداً على تبني الشركة لأفضل الممارسات في إدارة الجودة والتحسين المستمر. واليوم، تواصل الشركة مسيرتها بثقة نحو التوسع والنمو، مع التركيز على تطوير القدرات الإنتاجية وتعزيز حضورها في الأسواق المحلية والإقليمية.

Established in 2007 in Riyadh, Jawdah Cables Company was founded in response to the rapid growth of the construction and infrastructure sectors across the Kingdom of Saudi Arabia and the GCC region. Since its inception, the Company has built solid industrial foundations centered on quality, strict compliance with standards, and efficient responsiveness to evolving market demands.

The Company specializes in the manufacturing of electrical wires and cables in a comprehensive range of sizes and classifications, produced in accordance with the highest locally and internationally recognized technical standards. Jawdah Cables has successfully built a strong market reputation by delivering products distinguished by reliability, durability, and consistent performance across residential, commercial, and industrial applications.

The name “Jawdah” (meaning Quality) was not merely a branding choice; it represents a fully integrated operational philosophy based on rigorous production control, the implementation of structured quality management systems, and continuous inspection of both raw materials and finished products, reaffirming the Company’s commitment to best practices in quality management and continuous improvement.

Today, the Company continues its journey with confidence toward expansion and sustainable growth, focusing on strengthening its production capabilities and enhancing its presence in both local and regional markets.

OUR MISSION مهمتنا

- تسعى شركة كابلات الجودة إلى تصنيع وتطوير كابلات الطاقة والحلول الكهربائية وفق أعلى المعايير الدولية، مع اعتماد أحدث التقنيات وأنظمة الجودة لضمان منتجات آمنة وموثوقة.

- نقدم كابلات الجهد المنخفض، كابلات التحكم، الكابلات المقاومة للحريق، وكابلات الأجهزة الصناعية، لخدمة المشاريع السكنية والتجارية والصناعية ومشاريع البنية التحتية.

- نلتزم بالكفاءة التشغيلية، وتطوير كوادرنا، وبناء شراكات استراتيجية طويلة الأمد، بهدف تقديم قيمة مستدامة ودعم نمو المحتوى المحلي والتنمية الصناعية.

- Jawdah Cables Company is committed to manufacturing and developing power cables and electrical solutions in accordance with the highest international standards, utilizing advanced technologies and quality management systems to ensure safe and reliable products.
- We provide low-voltage power cables, control cables, fire-resistant cables, and instrumentation cables to serve residential, commercial, industrial, and major infrastructure projects.
- We are dedicated to operational excellence, continuous workforce development, and building long-term strategic partnerships, with the objective of delivering sustainable value and supporting local content and industrial growth.

OUR VISION رؤيتنا

- أن تكون شركة كابلات الجودة مرجعاً صناعياً رائداً في قطاع الكابلات الكهربائية، ومعياراً للتميز في الجودة والاعتمادية والابتكار على مستوى المملكة والمنطقة.
- نسعى إلى ترسيخ مكانتنا كلاعب رئيسي في السوق من خلال التطوير المستمر للتقنيات الإنتاجية، وتوسيع نطاق منتجاتنا، وتعزيز قدرتنا التنافسية، بما يضمن حضوراً قوياً ومستداماً في الأسواق المحلية والإقليمية والدولية.

- To position Jawdah Cables Company as a leading industrial reference in the electrical cable sector and a benchmark for quality, reliability, and innovation across the Kingdom and the region.
- We aim to strengthen our role as a major market player through continuous technological advancement, expansion of our product portfolio, and sustained competitive growth, ensuring a strong and long-term presence in local, regional, and international markets.

الأهداف
OBJECTIVES

لدى كابلات الجودة ثلاثة أهداف رئيسية
JAWDAH HAS THREE MAIN BUSINESS OBJECTIVES

1
قوة واحدة
POWER OF ONE

تقوم الشركة حاليا بتوسيع قدرتها لتصبح موردا قادرا على تلبية العديد من احتياجات العملاء

The Company is expanding its prouduct range and its capacity to become a supplier capable of meeting many of its customer's needs

2
خدمة العملاء
CUSTOMER SERVICE

تهدف الشركة إلى تزويد جميع العملاء بأعلى مستوى من الخدمة والابتكار المستمر المرافق وطرق الإنتاج لضمان أقصى قدر من الإنتاجية وذلك لخدمة العملاء بطريقة فعالة

The Company aims to provide all customers with the highest level of customer service and continuously innovate production facilities and methods to ensure maximum productivity to serve the customer in an efficient manner.

الأهداف
OBJECTIVES

تقوم الشركة بجميع أنشطتها على سلسلة من القيم المؤسسية :

- رضاء العملاء التام هو أولوية مطلقة
- تعمل الشركة بنزاهة في جميع الحالات
- يعتبر موظفي الشركة المصدر الرئيسي للقيمة
- العمل الجماعي القوي ضروري لتحقيق التميز
- التسليم في الوقت المناسب لضمان رضا العملاء وإعطاء الشركة ميزة تنافسية
- الابتكار المستمر وتحسين الجودة هو هدف ثابت

The Company bases all its activities on a series of corporate values:

- **Complete customer satisfaction is an absolute priority.**
- **The Company acts with integrity in all cases.**
- **The Company's people are considered as the main source of value.**
- **Strong teamwork is necessary to achieve excellence.**
- **Timely delivery to ensure customer satisfaction and give the company a competitive advantage.**
- **Continuous innovation and quality improvement is a constant objective.**

3
قيم الشركة
CORPORATE VALUES

SPECIALIZED CABLES

INSTRUMENTATION CABLES

Applications: Instrumentation cables are multiple conductor cables that convey low energy electrical signals used for monitoring or controlling electrical power systems and their associated processes. Instrumentation cables have diverse applications. These cables are designed to use in instrumentation and communication applications in and around process industries like oil exploration, gas industries, petrochemical plants, cement, paper, steel, power generation and in many such industrial projects. Armoured cables are used in locations, where mechanical protection is required.

كابلات الجودة
Jawdah Cables

CONTROL CABLES

These cables are used for wiring control circuits. Such cables are used for connecting, signaling the control units in industrial plants, railways, traffic signals, power stations, and switchgears.

كـابلات الجـودة
Jawdah Cables

FIRE RESISTANT CABLES

These cables are designed to survive and ensure circuit integrity during Fire conditions. These cables are used in various applications in which maintenance of power supply during fire is required and in areas where smoke and acid gas evolution could be hazardous to personnel or sensitive equipment. As the safety norms are increasing, these cables are used in industrial projects, high-rise buildings, hospitals, shopping malls, hotels, schools etc.

كـابلات الجـودة
Jawdah Cables

THERMOCOUPLE EXTENSION CABLES

Applications: These cables are used for temperature sensing in industrial processes. Overall shielded cables are used on circuits where shielding from external interferences is required but shielding between pairs is not critical. Individual and overall shielded cables are used in circuits, where shielding from external interferences and between pairs is required.

كـابلات الجـودة
Jawdah Cables

FIRE ALARM CABLES

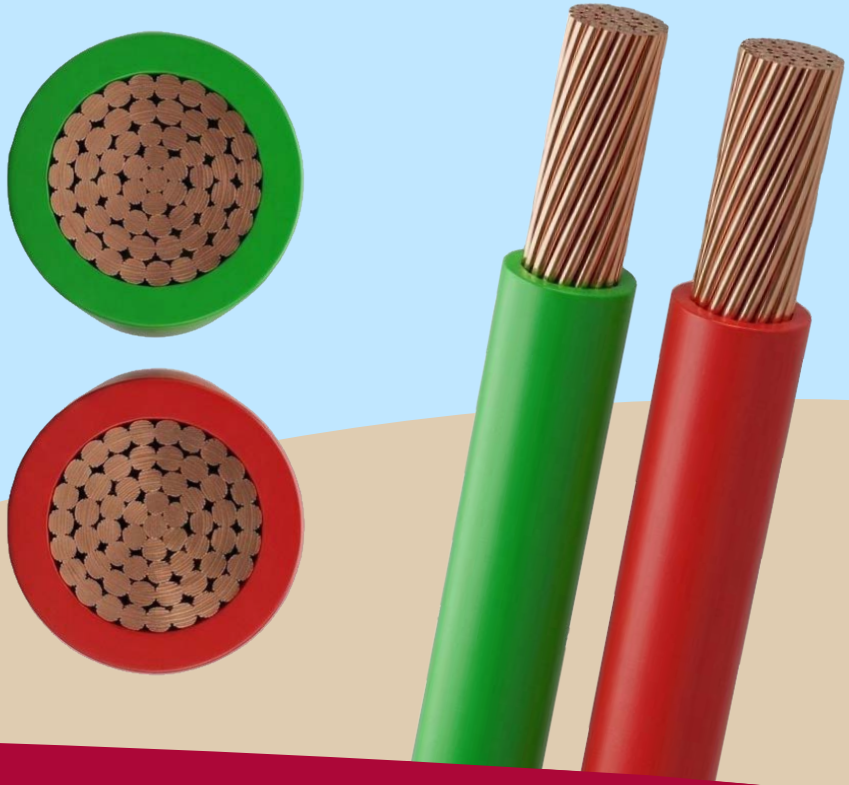

Fire alarm cables are for use with fire monitoring/detection, power-limited fire alarm systems, smoke detectors, signaling, control circuits, fire protective circuits and security systems.These cables are used in high-rise buildings, commercial complexes, schools and educational institutions.

كابلات الجودة
Jawdah Cables

WIRES & CABLES

BUILDING WIRES

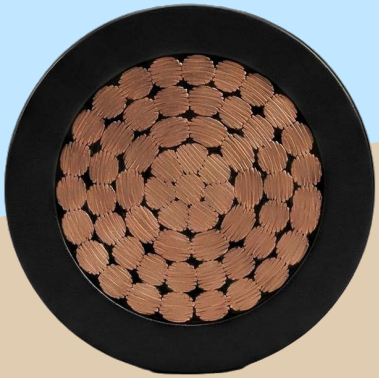

Applications: These cables are widely used in new constructions. Suitable for lighting and power purposes in industrial, commercial and residential buildings. THHN/THWN wires are designed to operate at 105 °C & 75 °C for 600 volts service in dry and wet locations respectively. Nylon jacket provided over the PVC insulation is protection from abrasions and serves as a protective shield against Oil, gasoline & chemicals.

كـابلات الجـودة
Jawdah Cables

SINGLE CORE CABLES

TYPE BK PVC INSULATED

Applications: These cables have flexible conductors & have temperature rating up to 70 °C. These can be used for internal connections in motor starters, connectors and rectifier equipments.

كـابلات الجـودة
Jawdah Cables

SINGLE CORE CABLES

TYPE CK PVC INSULATED

Applications: These cables have flexible conductors & have temperature rating up to 90 °C. These cables are also useful for wiring of switch, control, metering, relay and instrument panels of switchgear.

كـابلات الجـودة
Jawdah Cables

FLEXIBLE CABLES

Applications: These cables are used in domestic premises, kitchens, offices, household appliances including damp locations. Suitable for connecting washing machines, spin extractor, refrigerators, portable lamps, fans, vaccum cleaners,TV and household ventilating apparatus.

كـابلات الجـودة
Jawdah Cables

FLAT CABLES

Applications: Flat cables are used in dry or damp locations for fixed installations. These are suitable for installations in walls, on boards or embedded in plaster.

كـابلات الجـودة
Jawdah Cables

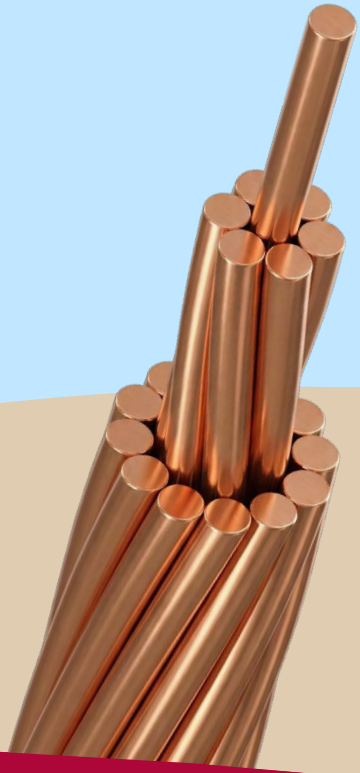

LV POWER CABLES

Applications: Low voltage power cables are used to transmit electrical energy from one location to another. These are usually employed in distribution process of electricity to various loads such as households, commercial establishments & industries. LV cables can be used indoors or outdoors in cable ducts, cable trays, conduits or underground in power and switching stations, local distribution The armoured cables are used specially in underground locations under mechanical stresses in commercial, industrial, power stations and switching stations.

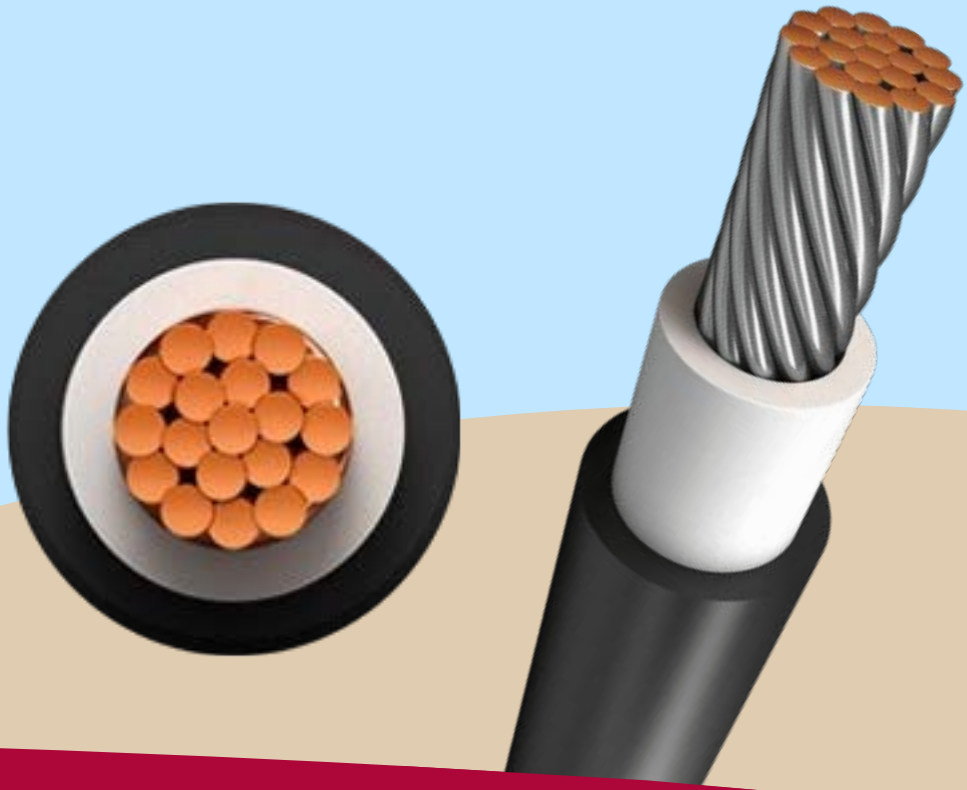

كـابلات الجـودة
Jawdah Cables

SOFT DRAWN BARE COPPER CONDUCTOR

كـابلات الجـودة
Jawdah Cables

SOLAR CABLES _ PV WIRES

Jawdah Cables manufactures and supplies solar cables for photovoltaic applications. These are used in solar panel wiring applications and meet BSEN 50618 / IEC 62930 requirements.

CERTIFICATE

This is hereby certified that the Quality Management System of

JAWDAH CABLES FACTORY

Building No. 4086, Ashirat Sadir 19, 6543 Sudair Industrial and Business City, Tumair 15336, Kingdom of Saudi Arabia

Has been found to comply with the requirements of

ISO 9001: 2015

This certificate is applicable for the following scope:

Design, Development, Manufacture and Supply of: Building Wires, Indoor Wires, Control, Instrumentation and Low Voltage Cables Up To 3 kV. Solar Cables & Special Cables.

Certificate Number: KAQM202507055

Certified Since:	08 March 2024
Date of initial registration:	28 July 2025
Surveillance audit 01 done on:	29 June 2026
Surveillance audit 02 on/before:	28 June 2027
Certificate expiry:	28 July 2027
Recertification due:	27 July 2028

EA-JAS
INTERNATIONAL ACCREDITATION PROGRAM

CERTIFICATE OF REGISTRATION

IS HEREBY GRANTED TO

JAWDAH CABLES FACTORY

Building No. 4086, Ashirat Sadir 19 Street, Sudair Industrial and Business City,
Tumair - 15336, Kingdom of Saudi Arabia.

UNDER THE TESTING AND CALIBRATION LABORATORIES PROGRAM
IN ACCORDANCE WITH

ISO 17025:2017

This Certificate is applicable to the following Service, Product Ranges:

Wires, Power, Instrumentation, Control and Special Cables with Copper/Aluminium Conductor.

PERIOD OF ACCREDITATION IS - 08 May, 2026 to 07 May, 2027

CERTIFICATE NUMBER : KSA26TC81972

Authorized signatory for the EA-JAS International Accreditation Program

STEVEN HILL
Director Registrar Programs
Euro American Joint Accreditation Services
Initial EA-JAS Accreditation: March 2015

The accreditation is subject to continuing conformity with EA-JAS accreditation requirements. The absence of a schedule on the EA-JAS website indicates that the accreditation is no longer in force.
