

Weekend Message on June 20, 2021

God created men with intention and purpose. Use the questions below to dig deeper into how they were designed and how we can honor them. There are some questions just for men, some just for women, and some for everyone. You can also use the Scriptures listed in each section for further study.

God Created Man

Men: How are God's attributes displayed in you? (God is ____, so I am ____)

Women: How are some of the qualities that men have a reflection of God? (Men are ____, and God is ____)

Men & Women: What is the result when men live and serve under the authority of God?

Scriptures: Genesis 1:26-27 | Mark 10:45

Men Are Designed to Live as Sons

Men: Is there anything that keeps you from defining your core identity as a beloved son?

Women: Have you ever asked the Holy Spirit how you can encourage the men in your life to receive love from God?

Men & Women: Where in your life are you acting like an orphan instead of a beloved son or daughter?

Men are Made for Relationship

Men: When have you resisted vulnerable relationships and why?

Women: Do you let the world or the kingdom define what your relationships should look like?

Men & Women: When have you valued achievement and status over relationship?

Scripture: Genesis 2:18 | John 10:14-15

Men are Created to Work with God

Women: Where have you seen God's work done through men and women partnering together?

Men & Women: How has this message opened your eyes to the difference between job and work?

Scriptures: Genesis 2:15 | Genesis 1:28 | Colossians 3:23

Women & Men: How did this message change your perspective on how God designed men and what they are created to do?

Women & Men: Who is one person that you can share this message with?
