## DISCUSS

1. Would people in your life say that you value them?
2. How are your relationships marked with honesty, serving, and fun?
3. Jesus went first for you. How can you go first for others?

## READ

- Mark 12:29-31
- Do you view the relationships in your life with this level of priority?

## PRAY

Jesus, let me see the people in my life as you see them.
