

*Weekend Message on August 8, 2021*

---

## DISCUSS

1. Share a time when you experienced God in a profound way while in community with other believers.
2. What is our responsibility in building the third leg of the stool in order to experience the fullness of God's presence in our weekend gatherings?
3. Who are you building and who are you being built by?

## READ

- Ephesians 4:11-16
- What gifts have you been given to build and grow the VCC family?

## PRAY

God, help us to take our responsibility to be in relationships seriously, to be humble, hungry, and honest. May we gladly accept the invitation to build an environment for your presence.
