

Weekend Message on August 22, 2021

IF YOU ARE A NEW CIRCLE, SPEND TIME GETTING TO KNOW EACH OTHER

1. Find out more about each person: family, work, background, interests, VCC story.
2. What's this season been like for each of them?
3. What does each person hope to get out of Circles this semester?

READ

- Ephesians 2:19-22
- What is the significance of being members of God's household?

PRAY

God, help us to take our responsibility to be in relationships seriously, to be humble, hungry, and honest. May our Circle be an environment for your presence to dwell.
