

BIG IDEA: The giants in your life are big, but Jesus is bigger.

SUMMARY

So, for the last few weeks we have been in a series called "Face Your Giants." We've said that a giant is anything that stands in between you and the promises of God that feels impossible to overcome. We believe God's word is alive and active. Because we don't want to be just hearers of the word but doers of the word it's time to respond. It's time to pause, remind ourselves of what God has been saying, and put our faith into action and face the giant in our life.
