## DISCUSS

1. How has the soil of your heart been cultivated as you've engaged in a Circle? If you're newer to Circles, what are you hoping for?
2. When you are corrected, are you the wise or foolish person referenced in Proverbs 9:8-9? If foolish, what are you going to do about that?
3. Being connected is the life of Jesus flowing in and through you. Are you connected based on this definition?

## READ

- Mark 4:13-20
- How are you honoring and valuing the Word of God to produce a harvest of thirty, sixty, or even hundred fold?

## PRAY

Holy Spirit, connect us as the Body of Christ. May we honor and steward your Word.
