DISCUSS

1. Offense is unforgiveness that demands judgment. According to this definition, where are you carrying an offense? What are you going to do about it?
2. When you consider the conversations in your life, do you spend more time discussing what's been done to you or discussing what Jesus has done for you?
3. How can you proactively pursue blessings for anyone you're carrying an offense against? Steps: 1) Focus on God's grace for you. 2) Pray for them. 3) Bless them.
