## DISCUSS

1. Describe something you are super passionate about.
2. How do we cultivate the same level of passion about Jesus and for our mission?
3. What's one easy way you can jump into mission this week? Invite someone, post on social media, serve, share your story...

## READ

- Romans 1:14-17
- Paul was passionate and unashamed of the gospel. What keeps you from living completely unashamed of the gospel?

## PRAY

Note: Circle Leaders - have each person in your Circle pray this out loud.

Jesus, I ask you to prepare a receptive, eager heart in [insert name]. I pray that [he/she] will say "yes" to my invitation to join us as we experience The Story.
