## DISCUSS

1. Compare your thoughts and feelings about being a disciple with what we learned this weekend.
2. Do you measure your life by accomplishments or by who you are becoming?
3. A disciple is a learner. Who are you learning from? Do you want to become like this person?

## READ

- Jeremiah 18:1-6
- How are you allowing God to shape you through His word, His Spirit, His people, and circumstances?

## PRAY

Jesus, I am your clay and you are my potter. Help me to live as the masterpiece you have created.
