DISCUSS

1. What's happening in your life right now that is an invitation or opportunity to practice the way of Jesus?
2. Are there areas of your life where you've lost sight of God's word? What can you do to rediscover God's word and begin walking in its ways?
3. What has God said to you that you feel is modern foolishness because it's so counter-cultural? What do you do about that?
