

Follow The Cloud BONUS Experience

Complete as a group after reading Section Four of *Follow The Cloud*.

Our dream is to see every person live free as a beloved son or daughter. *Follow The Cloud* is a tool for you to continue to learn to live free as more of the Father's Heart is revealed to you on your journey of next steps.

Take a moment and share with others where *Follow The Cloud* has brought you the most freedom in this season. Then, using the three circles below practice teaching the gospel to someone in your Follow The Cloud Challenge Group.
