

Weekend Message on September 19, 2021

DISCUSS

1. Jesus is the true reference for our new identity. Share your story - who were you before and who are you now in Jesus?
2. As we enter this week, how can we remind ourselves that we are carrying the presence of God into our families, workplaces, and communities?
3. Share the name of one person in your life that needs the hope of Jesus. As a Circle, pray for these people by name to receive the hope of Jesus.

READ
