

Weekend Message on September 26, 2021

DISCUSS

1. How's your faith level? Where have you been lowering your beliefs to match your circumstances?
2. Encourage each other's faith by sharing when you have seen the supernatural move of God in your life.
3. What specific actions do you need to take to grow your faith this week?

READ

- Hebrews 11:1-2
- Where can you strengthen your faith by focusing your eyes on Jesus, reducing the voices you're listening to, and valuing time spent with God and his faithfulness?

PRAY

Jesus, as we fix our eyes on you, will you increase our faith. May your faithfulness fill us and bring us rest for our souls. Lord, we do believe, help us with our unbelief.
