## DISCUSS

1. Hope is being anchored in God's goodness. Do you believe God is good? Do you believe God is good to you? Why?
2. Focusing on God's character, faithfulness, and promises is how we cultivate hope in our hearts. How is your hope?
3. What are your countenance and words saying about the hope in you?

## READ

- Read: Romans 4:18-21
- What is the difference between having hope for something versus hope in someone?

## PRAY

Thank you Jesus for being our living hope. Turn our hearts back to you and stir up hope in us. Jesus, because of you, we always have hope.
