

Weekend Message on January 23, 2022

DISCUSS

1. When did you become part of the Valley Creek story and how has your life been impacted?
2. How do you follow the Cloud when making everyday decisions?
3. God will expose and reveal so that He can heal and restore. What's been exposed and revealed in your life and where are you receiving God's healing?

READ

- Deuteronomy 1:29-33
- Do you believe that God goes before you and that you can trust where He is leading is better than where you've been? How does your behavior match your beliefs?

PRAY

God, we repent from trusting ourselves and things of this world. We choose to follow You one next step at a time.

FOLLOW THE CLOUD RESOURCE REMINDERS

- Leaders - ask each person in your Circle: Which key chain did you take and what are you asking God to unlock in your life?
- If you're following along in [Follow the Cloud](#), read chapter 1 this week.
