

Weekend Message on January 30, 2022

DISCUSS

1. Looking back on your journey with Jesus, who did God use to draw you little by little?
2. A next step is any belief or behavior that moves you forward on your journey with Jesus. Describe the last next step God asked you to take and how you've responded.

READ

- 1 Samuel 13:11-12 and 2 Corinthians 12:8-9
- Compare and contrast these two passages which describe taking next steps you want to take versus God's next steps for you. Which passage best describes how you've been living your life and what is God's invitation to you?

PRAY

God, help us follow you as our good shepherd from where we are to where you're inviting us to go. Give us courage one next step at a time.
