

Weekend Message on April 17, 2022

DISCUSS

1. This week, we created an environment for people to experience the resurrected Jesus in their chair. Who did you invite? Did they come? If not, why? If they did, what was their response?
2. Jesus meets us right where we are every day. What did you bring to your seat in this Circle today?
3. You were created for the purposes of God. What do you believe about:
 - a. Where you came from.
 - b. Why you are here.
 - c. Where you are going.
4. The resurrected Jesus came to set you free and offers you rest from your past, rest in the present, and rest for your future. Where do you need the rest of Jesus in your life?
