

Weekend Message on July 3, 2022

DISCUSS

1. How did you rest and enjoy God this week?
2. What did God reveal to you through the message?
3. Where have you seen momentum in your life this year?

READ

Exodus 23:30 and Mark 4:24-25

Momentum isn't gained in one big moment; it's little by little over time. What's that little thing God is asking you to do in the midst of this summer?

PRAY

Jesus, help us to steward the positive momentum we've gained as a family this year and finish well!
