DISCUSS

1. We know what time it is, but do we know what this time is for? As you consider your future, what is this time in your life for and how will it glorify God?
2. Would you describe this past summer season with God and our church as "movement" or "leafy"? Why?
3. When we let go of what is, we can grab ahold of what God is doing. We can't step into a new season with an old mindset. What do you need to let go of? What are you afraid of? What challenge is God inviting you to overcome?

READ

2 Corinthians 5:7 and James 2:17

When we move toward God, because of God, when God invites us to, we discover his personality. Where is God inviting you to move forward by faith?

PRAY

Jesus, give us eyes to see and perceive the season we are in and what this time is for.
