Ecclesiastes 3:1-5 and Matthew 6:33

Within the clocks and calendars (Chronos) of this world, it's always time to seek God. What is the big idea God has been showing you about what it's time for in your life that glorifies him?

PRAY

Jesus, thank you for your grace. Thank you for the Holy Spirit who leads us, a church to be planted in, relationships that lead us into your love, and for your presence.
