## KINGDOM CULTURE 101

Practicing Values:

We are a family on mission.

We do everything with all our heart.

## DISCUSS

1. Who did you connect with as we practiced being a family on mission? What was that experience like for you?
2. When we read the Lord's Prayer (Matthew 6:9-13) together, what stood out to you? Is there a verse that you are receiving for you, one that challenges you, or revelation God has given you?
3. What is God showing you about your heart (Psalms 139:23-24)? How are you working through it?

## READ

Luke 11:28

What does it look like for you to take the messages from Sunday and apply them to your life Monday through Saturday? (i.e. at home, work, school, your community, etc.)

Have you been applying them to your life or is this a next step for you?

## PRAY

Thank you Jesus for giving us a new heart and adopting us to your family. Help us to have the courage to live set apart.
