## KINGDOM CULTURE 101

We live with a spirit of gratitude.

Gratitude is the normal response to receiving God's grace.

## DISCUSS

1. Share what you are thankful to God for today.
2. Gratitude is humility expressed, honors God, and heals our hearts. Who do you need to express gratitude to? How will you express it?
3. How's the garden of gratitude in your heart? Where do you see a need to receive God's grace leading to a spirit of gratitude in your life?

## READ

1 Thessalonians 5:16-18 and Psalms 103:2-5

In daily life, would you describe your mindset as an abundance mindset or poverty mindset? Share an example. Where is God inviting you to change the way you think?

## PRAY

Thank you Jesus for giving us the gift of grace in our lives. Help us to receive it with our whole heart, that we may overflow with gratitude.
