KINGDOM CULTURE 101

We will do whatever it takes to reach the lost and develop leaders.
We're focused on the mission, not ourselves.

DISCUSS

1. Jesus chose the disciples because He believed in their redemptive potential. He has also picked you. How does your life look different now than when Jesus first called you as a disciple?
2. It takes faith to believe in the redemptive potential of others. Where is God inviting you to have faith in Him to reach the lost and develop leaders in your life?
3. It cost Jesus everything to go on mission for us. What is the mission costing you today? What is God inviting you to surrender to continue going on mission?

READ

Ephesians 4:11-12 and Matthew 28:19-20

Who are you discipling at home, in our church, or the world (workplace, school, etc.)?
What next step is God inviting you to take in discipling others?

ADDITIONAL SCRIPTURES

Deuteronomy 6:6-7, Galatians 6:10, 1 Peter 2:12

PRAY

Jesus, thank You for choosing us to go on mission with You! May we genuinely do whatever it takes to reach the lost and develop leaders in our homes, church, and world. Let this be a value of our heart first so it can become the culture of our life.
