

Weekend Message on March 5, 2023

DISCUSS

1. What is God saying to you?
2. How are you putting what you hear into practice? (John 8:31-32)

ENGAGE THE SCRIPTURES

James 1:21-22 and Mark 4:21-25

Whatever you do with the revelation you've received will determine what you hear going forward. Do you want more of the kingdom in your life? What are you willing to surrender to see it come to pass?

PRAY

Jesus, help us to be doers of the word, not just hearers. Help us activate our faith daily, that we may see Your kingdom come in our hearts, our homes, and in every area of life.
