

Weekend Message on March 19, 2023

DISCUSS

1. Which Hope Carrier story inspired or challenged you?
2. What's your story of hope?
3. What are some obstacles that make it difficult for you to share your story or carry hope into your area of life? How is Jesus teaching you to break through those obstacles?

ENGAGE THE SCRIPTURES

Take time to read the chapter of the day using the Reading Plan. Then, as a Circle, discuss:

1. What did you discover about Jesus and His kingdom?
2. What is the Holy Spirit teaching you?

PRAY

Jesus, thank You for carrying hope into our lives so that we can live in Your kingdom here and now. We pray for more stories of hope to be shared in the days to come!
