DISCUSS & ENGAGE THE SCRIPTURES

1. All scriptures for The Story of Easter are [here](#). As you read through them, which verses cut you to the heart?
2. How is God inviting you to respond to The Story of Easter?
3. In what circumstances or situations do you need to believe by faith that God is bigger, more gracious, more kind, and more loving than you realize?

PRAY

Thank You, Jesus, for the resurrection life You have given us. Help us receive it and release it everywhere we go.
