

Weekend Message on May 21, 2023

DISCUSS & ENGAGE THE SCRIPTURES

1. This weekend was a markerstone moment; the beginning of a new lifestyle as hope carriers.
 - a. Read [Revelation 11:15](#). How has your kingdom become His kingdom?
 - b. By faith, did you choose to take a hope carrier pin? If so, what does it mean to you? If not, why?
2. As a Circle, take time to share with each other your response to these questions:
 - a. What has God been saying to you?
 - b. What has God been doing in you?
3. Read [James 1:22-25](#). How do you need to respond to what God has been saying and doing? What's one next step you can take this week?

HOPE CARRIER FIELD JOURNAL

In the back of your Hope Carrier Field Journal is a *Now What?* section. This section is a great way to continue to practice living as a hope carrier.

PRAY

Read [Ephesians 4:1-6](#) then pray those verses over our Valley Creek Church family.
