DISCUSS & ENGAGE THE SCRIPTURES

1. Share with your Circle what your family looks like and how you've defined family.
 - a. What's one way God is inviting you to align to His vision of a healthy family?
 - b. How will you stay connected to the Valley Creek family this summer?
2. Read [Genesis 22:17](#). What generational bondage from your family experience do you want to have victory over for future generations?
3. Read [Joshua 24:15 NLT](#) and [Genesis 22:1-2](#).
 - a. Where is God inviting you to live out the "as for me" in your family?
 - b. Who or what is your "Isaac" that God is inviting you to surrender?
4. Read [Luke 14:26](#) and [Luke 22:42 NKJV](#). What would it look like for you to put Jesus first – even above your family? How will you do that?

PRAY

Jesus, thank You for including us as Your family. Lord, we surrender ourselves and our families to You.
