## THE SOMEONE ELSE CHALLENGE

This week's challenge is to be generous to someone by participating in Hope on the Move: Groceries. What's your plan to participate?

## DISCUSS & ENGAGE THE SCRIPTURES

1. Read [Luke 10:35 NLT](#). Generosity is a key to getting outside of ourselves; it's a mark of living as a disciple of Jesus.
  - a. Where in life are you generous with finances? (i.e. income, allowance, possessions, talents and abilities)
  - b. How are you going to remove any obstacle that gets in the way of your generosity?
2. Read [Acts 20:35 NLT](#) and [Hebrews 13:5](#). God's security is greater than anything the world provides! We don't own the resources He gives us – we are stewards of them.
  - a. What would it look like for you to find security in God as you steward what He's given you?
  - b. What would your life look like if you believed that it is more blessed to give than to receive?
3. Read [Isaiah 32:8 NLT](#) and [Deuteronomy 15:10](#). God has a plan for our generosity. Tithing is a vertical return of our finances. Generosity is horizontal giving of our finances. In which of these areas is God inviting you to move forward by faith? How will you seek His vision for your finances this week?

## PRAY

God, may we be generous people in Jesus' name.
