DISCUSS & ENGAGE THE SCRIPTURES

Kingdom meditation is thinking deeply about deep things; it's thinking with the Holy Spirit.

1. Leaders go first: Share with your Circle what you have been learning as we have memorized 1 Corinthians 13 and John 15:1-17 in this season. Be honest and vulnerable.
2. Read [Joshua 1:8](#). How does this verse cause you to rethink how we attain prosperity and success in life? Where do you need to repent?
3. Read [Philippians 4:8](#) and [Romans 12:1-2](#).
 - a. Who or what are you allowing to lead your thought life?
 - b. How is that working out for you?
4. Read [Romans 1:28](#). What does this verse mean to you and how do you want to rearrange your life according to it?

SPIRITUAL DISCIPLINES PRACTICE PLAN: MEDITATION

Memorize Psalm 23 this week. You can download [digital resources on ValleyCreek+](#).

PRAY

Pray that we would be a church who has a high value of God's Word and choose to meditate on it and memorize it.
