

DISCUSS & ENGAGE THE SCRIPTURES

1. There are so many things happening this summer that will help us live as disciples. What are you most excited about engaging in?
2. As your campus pastor shared stories during service, was there one that resonated with you and why?
3. Read these verses on forgiveness: [Hebrews 12:15](#), [Matthew 18:21-22 NLT](#), and [1 Peter 4:8](#).
 - What do you need to release as we go into summer?
 - When will you release it?
 - How will you release it?
 - What is Jesus teaching you about being a person of love through forgiveness?

PRAY
