God's Fulfilling

DISCUSS & ENGAGE THE SCRIPTURES

1. Practice plan check in! What's your practice plan to keep training over the summer? If you've already been practicing, how's it going? ([1 Timothy 4:7-8](#))
2. Read [2 Corinthians 1:20](#). How has your history with broken promises from people kept you from believing that God is fulfilling His promises for you?
3. To activate our faith in God's profound promises we:
 - Claim It ([John 14:14](#)). *What promise of God do you need to claim?*
 - Declare It ([Psalms 138:1-2 NLT](#)). *Are you speaking God's promises over your life, or the enemy's lies? What's your next step in declaring God's promises for you?*
 - Walk It Out ([Psalms 85:8](#)). *Where do you need to demonstrate that you believe God's promises by "acting as if it's so"?*

PRAY

God, thank You for Your promises that are "yes" and "amen" in Jesus' name. Help me believe in all the promises You have for me.
