

## 60 Days of Unfamiliar Promises

God's Guiding

### COMMUNICATOR

Sebastian Mancillas, Central Students Director

### DISCUSS & ENGAGE THE SCRIPTURES

1. Read [Proverbs 3:5-6](#). As you read this promise, what draws you in?
2. How do you think your life would be different if you believed this promise with all your heart?
3. Read [James 1:5](#), [James 1:6-8](#), and [2 Corinthians 4:18](#). Where is doubt getting in the way of God's invitation for you to trust in Him? What do you need to release so you can receive this promise?
4. Read [Psalms 145:13](#) and [Romans 8:28](#). We practice trusting God in the tangible now so we can trust Him with the intangible later. Tithing and Sabbath are two areas where we can practice tangible trust. What is the Holy Spirit saying to you about your next step?

### PRAY

Jesus, thank You for Your promise to make our paths straight. May we trust in You with all our hearts!
