PRACTICE PLAN CHECK-IN

For those who did the practice plan last week, how did it go? What did you learn about yourself and God?

DISCUSS & ENGAGE THE SCRIPTURES

Generosity is giving God's resources to others in a way that releases God's kingdom in their life.

[Click here](#) to access all the Scriptures shared this weekend to reference as you engage in the Circle discussion.

1. As a disciple of Jesus, is God's Word enough for you to live a lifestyle of obedience? Why or why not? If it is enough then what's stopping you from obeying?
2. For those who have a vision to live a different way, what are some excuses you use (or have used) to avoid practicing generosity?
 - a. Based on God's Word, do you still think those are valid? Why or why not?
 - b. What is the Holy Spirit saying to you about arranging and rearranging your life to become a person of generosity?
3. Based on this discussion, are you planning to engage in the practice plan this week?
 - a. For those who are engaging in the practice, have you already completed all or part of it? If so, how'd it go? If not, when are you planning to do it?

PRACTICE PLAN

Give some actual money to God and at least one person this week.

PRAY

Holy Spirit, help free us from the love of money and give us a heart to receive from You.
