

CIRCLE GUIDE

Weekend Message on January 26, 2025

We are a movement of hope for the city and beyond. A movement is thousands of people writing the same story at the same time.

DISCUSS & ENGAGE THE SCRIPTURES

1. We learn from the past, live in the present, and look to the future. Where in the story did you join? How has the whole story impacted your life?
2. Have you decided Valley Creek is your church? What does wearing the shirt you were given mean to you?
3. What will it look like for you to pick up your pen and write the story as we create the future together?

PRAY

Thank You, Jesus for every person who contributed to what Valley Creek Church is today. May You help us steward the past, live in the present, and create the future You desire.
