AS KIDS ENGAGE IN THE ACTIVITY, HAVE THEM ANSWER THESE QUESTIONS.

QUESTIONS:

1. What is your favorite thing you have discovered about God and everything He created?
2. What do you think God is saying to you about Himself, and everything He created, including you?
3. Tell God how good He is. Thank Him for giving us the Bible to help us discover so many amazing things! Ask Him to help you grow in truth, and follow where He leads you.
