

CIRCLE GUIDE

Weekend Message on February 2, 2025

We are a movement of hope for the city and beyond. A movement is thousands of people writing the same story at the same time.

DISCUSS & ENGAGE THE SCRIPTURES

1. We believe God has called Valley Creek Church to do five things in the next five years as Missional Move: Create the Future. A missional move is when someone takes their next step so someone else can take theirs.

Which of the five things are you most excited about contributing to, and why?

- Prayer Center
 - Training Center
 - Argyle Campus
 - University Campus
 - 7-Continent Strategy
2. Read [Genesis 1:28 AMPC](#). You were created to create. The greatest way to create a future for yourself is to create the future for others.
 - How are you currently using your resources to create with God?
 - What would it look like for you to consume less and create more?
 - What lies have you believed about seeing yourself as a creator, and how can you break free from those lies?
 3. We're asking everyone to do three things to contribute to Missional Move: Create the Future. Which of these will challenge you the most, and why?
 - Commit to Valley Creek as your church
 - Every person give above and beyond what you already give (sacrificially) over the next two years
 - Take one next step every year for the next five years

**Commitment weekend is March 2.*

PRAY

Jesus, help us design, dream, fund, build, and steward the future of Valley Creek.
