

CIRCLE GUIDE

*Weekend Message on February 9, 2025*

## DISCUSS & ENGAGE THE SCRIPTURES

1. We spoke out loud, "Let there be passion." Would other people describe you as a passionate person? Would the people who sit next to you in the worship experience say you're passionate about Jesus? Why or why not?
2. As we create the future, the enemy will try to keep us trapped in the past, distracted in the present, or afraid of the future. Do you see any of this happening in your life right now? If so, how can you move your focus to Jesus?
3. Read [Genesis 3:6-7](#) and [1 John 2:15-17](#). Is your life more defined by consuming or creating? What prevents you from creating for others? What is God trying to show you about your life through these two Scriptures?

## PRAY

Jesus, help us design, dream, fund, build, and steward the future of Valley Creek.
