## DISCUSS & ENGAGE THE SCRIPTURES

We are a family on mission. We're beloved sons and daughters releasing our Father's kingdom. Creating the future together can get messy, so there are three things that are the framework for what we need to be a healthy family. We must have a passion to:

1. Reach New People ([John 20:21](#)) | Invite, include, and initiate
  - When was the last time you invited someone into what God is doing in your life? Who do you need to invite?
2. Pursue New Encounters ([John 16:12-13](#)) | Be open to it, give it a try, and step out in faith
  - Are you content with the measure of God you have? Why or why not?
3. Raise Up New Leaders ([Acts 6:2-3,7](#)) | Humble yourself, lean in, and speak life
  - Where do you have an opportunity to encourage, develop, or create opportunities for new leaders?
4. What is the Holy Spirit saying to you about your passion in these three areas?

## PRAY

Jesus, help us reach new people, pursue new encounters with You, and raise up new leaders.
